A photograph of two women, Jillian Janson and Jenna Ross, posing on a wooden staircase. Jillian, on the left, has blonde hair and is wearing a light pink, form-fitting, sleeveless dress. Jenna, on the right, has long dark hair and is wearing a teal, form-fitting, sleeveless dress. Both are wearing black high-heeled shoes. Jenna is leaning back slightly, and Jillian is leaning forward, touching Jenna's hip. The background shows a modern interior with white cabinets and a grey wall.

JILLIAN JANSON and AIDEN ASHLEY with JENNA ROSS are PHOTOGENIC

Jillian and Aiden decided to hire a professional photographer for some sexy shots for their social media pages. They found out that Jenna was perfect for this... the best around. Slowly, Jenna took the two girls thru some sexy poses in their clothes, but the two models wanted something hotter. Quickly, they enticed Jenna to join them and she jumps right in. So, how did we get these pics? Well, every good photographer has an assistant – who also likes to take pictures!

CAUGHT ON CAMERA

A recent spate of muggings in the neighborhood had prompted an aggressive, and none too cheap, increase in security measures. No longer content with a resident watch program, the company which owned the upscale apartment tower had hired me, a security professional with ten years of experience, to hold down the fort.

They had also installed a state-of-the-art surveillance system, making my job a hell of a lot easier. Most of my workday was spent sitting before a bank of miniature screens. Cameras were all over the joint, allowing me to keep tabs on every nook and cranny.

And that's exactly what I was doing when Ms. Pettigrew's maid came into view on monitor #3. The screen was linked to a camera in the exercise room which, with the exception of Conchita Perez, was unoccupied that morning. Imagine my surprise when the young Latina maid produced a fat wad of cash from her purse and regarded the roll with a devilish grin . . .

"Well, well, well." I took a slug of coffee and shifted in my chair. "Naughty girl, Conchita. Very naughty girl . . ."

It didn't take a supersleuth to decipher the situation. While cleaning Ms. Pettigrew's residence, Conchita had discovered the money and decided to give herself a bonus.

But why, I asked myself, had she gone to the exercise room? Clad in her cleaning clothes, Conchita was hardly dressed for a workout. The mystery was solved a few minutes later when the Crane's maid, Celeste Maldini, entered the room. She, too, produced something of great value from her purse: A sparkling diamond ring!

"Well, I'll be damned," I muttered to myself, whistling as I mentally calculated the worth of the pilfered jewelry.

scene on the set

Cathy is a short blond (more often than not) with a petite body, tight and athletic, oh, and perfectly sized big boobs. I had the feeling that my luck as a reporter was about to change. Sure enough, I was invited for the first couple of days of the video shoot featuring Cathy and Anny, another highly charged babe. I was vacationing when I got the call that I could go to the set in Van Nuys and report on it's progress.

Friday night was my first chance on set and, admittedly not much happened. I interviewed a couple ladies and guys. However, the next day that situation changed! What I viewed last Saturday morning was so hot that I'm still walking around with a hard on almost a week later.

Clearly, the two maids had felt it safer to meet in the exercise room than in the Pettigrew or Crane residence. A neutral location, I mused, to admire and compare their booty.

But they had screwed up, forgetting—or perhaps they had never known—about the room's security camera. Caught red handed, I thought, shaking my head in dismay. So damned foolish, those two.

Of course, I had no choice but to report the crimes. Ms. Pettigrew and Mr. and Mrs. Crane would be gravely disappointed. As for the thieving maids—well, they would be fired, perhaps even arrested. Ms. Pettigrew and/or the Cranes could very well choose to involve the police. Hell, I would!

Either way, both Conchita and Celeste would have a hell of a time finding work. Theirs was a bleak future, for sure.

Unless . . .

Conchita didn't believe me. Not at first, anyway. Not until I played the footage for her larcenous eyes.

We were in the master control room, just the two of us, the morning after her crime. I had intercepted her in the lobby as soon as she had entered the building to begin her workday.

Now her gaze was torn between the damning footage playing on monitor #3 and the floor. She seemed to be having a hard time watching herself in such a compromising position.

"I'm so sorry," she said, looking at the floor. "It was a mistake. I shouldn't have done it. I don't know what came over—"

"Do you still have the money?" I asked her.

"Yes."

"All of it?"

She nodded.

"I suggest you put it back before Ms. Pettigrew returns from her European vacation . . ."

"I will," Conchita said. "I'll go home at lunch and get the money."

"Good girl."

Finally, she raised her head and looked at me. "Are you going to tell her?"

"That all depends."

"Please don't. I need this job . . ."

Conchita's was your typical sob story. High school dropout. No marketable skills. Struggling to make ends meet. She went on and on. Having had my fill, I told her to can it.

"I think we can work something out, Conchita." I rose from my chair, unzipped my pants, and whipped out my cock. "You're quite the thieving little cunt. Let's see if you can suck dick . . ."

Conchita didn't hesitate. If anything, she seemed immensely turned on by the prospect. She crouched before me, cupping my balls with one hand while lifting my shaft with the other. Her tongue basted my schlong from base to flared head, gliding ever so slowly. Meanwhile, she rubbed and fondled my balls.

Oh yeah, I thought, there was no doubt about it. Conchita knew a thing or two about giving head . . .

I was harder than a nightstick when she finally took me in her mouth. Gasping, I leaned against the control panel, marveling at Conchita's oral skills. Her thick lips, soft and warm, pumped my prick, making me harder and harder.

I ran my fingers through her lustrous black hair. This prompted her to up the pace. It wasn't long before she achieved a frenzied plunging motion as she gobbled my knob.

I reached for her head with both hands, intent on holding it still while I fucked her face. But I rejected this idea, content with letting her suck me in earnest. She was doing just fine.

And I was getting close to blowing my wad.

Attuned to this, Conchita withdrew her mouth from my tool and dipped low to service my balls. The hand she had been

The action began when the two girls stumbled into Cathy's bedroom, most likely drunk from barhopping, we're told.

They sat next to each other on bed and after a few minutes of giggling and joking around Anny moved closer to Cathy on the bed. She put her arm around Cathy's shoulder, and then pulled her a little closer. Anny leaned over and kissed her blonde roomie squarely on the lips finally. It was the action I've been hoping for.

Anny held Cathy's head firmly in her hands and began French kissing her furiously. Their heads undulated in rhythm as the two chicks tongued back and forth. Then Anny pushed Cathy down on the bed and pulled off Cathy's jeans and while Anny helped matters by taking off her T-shirt. She had no bra on, and her pert, firm boobs bounced freely, topped off by erect pink nipples.

using to fondle my nuts enclosed my shaft. She finished me in this fashion, sucking my balls while jerking me with a deft tugging motion.

My cum arced over her shoulder, some of it spattering the wall. Out of breath, my heart hammering crazily, I dropped into my chair. Conchita remained in a crouch, ready to pleasure me further should I so desire. But I was spent, my balls drier than the Gobi Desert.

Still, this didn't mean that Conchita was in the clear.

Not by a longshot.

Some minutes later, having recaptured my breath, I filled her in on the second part of my plan. An ever-cooperative Conchita reached into her purse, produced her phone, and made the call. Ten minutes elapsed before somebody knocked on the door. I zipped my trousers and crossed the room.

"Ms. Maldini," I said, stepping aside to welcome her. "So nice to see you. Please come in . . ."

As luck would have it, Celeste still had the ring. She had tried to pawn it yesterday, she explained, but the pawnbroker had been unwilling to give her what she thought was a fair price.

Steve Crane was an attorney, his wife, Beatrice, a professor. They were busy people, so busy, in fact, that Ms. Crane hadn't noticed that the ring was missing.

"I saw her this morning," Celeste told me, "before she left for the university. She didn't say a word about it . . ."

"Lucky for you," I said.

"It's in my purse," she said. "I'll return it immediately."

Like Conchita, Celeste was profusely apologetic and ashamed and more than a little scared. She kept looking at her friend and fellow maid, searching the other's face for a clue regarding my role in this unfortunate incident. Something passed between them, an unspoken agreement of sorts, a sisterly pact.

I was impressed; it was almost as if they

were telepathic.

For the second time that day, a hot cleaning lady went down on me. I sat there almost unable to move as Celeste unzipped me and liberated my dick. Kneeling between my legs, she sucked me good and proper, polishing my pecker with impressive skill. She created an enormous amount of suction as she moved her head in my lap.

pushed me over the edge right then and there. Thankfully I held on . . .

Immensely turned on, Conchita needed no encouragement from me before she sat on the edge of the control panel. She hiked one leg, planting her foot atop the panel just inches from her cunt. Her other foot dangling a few inches above the floor, she proceeded to masturbate, diddling her pussy lips with one hand and rubbing her clit with the other.

Moments later, Celeste withdrew her mouth and regarded her friend. Not to be outdone, she removed her clothes. Hers, like Conchita's, was a scorching hot body. Pale olive skin contrasted with the dark hair on her head as well as the unruly thatch be-

“Take off your clothes,” I said to Conchita over Celeste's frenetically pogoing noggin. “Show me that sexy body.”

Conchita complied, removing her clothes hastily. Gazing at her luscious caramel skin, her half-melon, B-cup tits and taut tummy, not to mention the black landing strip between her slender thighs, while having my dick sucked by Celeste nearly

Once Anny had Cathy naked, she let her tongue trail between Cathy's legs, beginning on top of her foot. By the time her long tongue was caressing Cathy's thighs, she was playing with her nipples.

Anny sucked on Cathy's pussy and at the same time using a couple of fingers to manipulate her lover's love tunnel. After a couple of minutes of this, Cathy came hard.

Cathy repositioned Anny and this time she was the one showcasing oral talents. She licked Anny's pussy in small circular motions. Cathy's tongue caressed every inch and I could see Anny building up to a cataclysmic orgasm. The bed shook, and Anny came all over the bed, finally calming down after a couple of long minutes.

When she moved aside there was a large visible wet stain! The two girls decided to chill after that... and my two hours were up!

tween her legs. Celeste's tits were bigger than Conchita's, her nipples larger, her tummy and hips and ass more rounded. She had more meat on her bones, Celeste did, more cushion for the proverbial pushin' . . .

“Do you like my big ass?” She modeled for me, turning this way and that as I sat there with my raging hard on.

“You know I do,” I replied.

Turning her back to me, Celeste bent forward, grabbed two handfuls of that bountiful butt, and spread her cheeks. “I want you to stick your big cock in my asshole, baby. Can you do that for me? Can you fuck my ass and make this pussy come?”

“I can,” I told her, “and I will . . .”

It was the most mind-bending sexual experience I had ever had. Standing behind Celeste, my hands gripping her big hips, I hammered her pooper with stiff jabs. She was bent forward over the control panel, her face buried between Conchita's legs.

Conchita's face twisted with pleasure as her friend ate her pussy. The torrid tableau was like something from a dream. I fucked Celeste faster and harder. Her backdoor was exceedingly tight, clenching my stiff rod in its warm embrace.

Conchita cried out, announcing her orgasm; this a few seconds before Celeste regarded me over her shoulder. “Finish in my mouth, baby. I want to taste my ass on your big fat cock . . .”

I pulled out of her plush backside, my cock glistening with juices. Conchita craved an ATM conclusion as well; she hopped down from the control panel and knelt beside Celeste who had already started giving me head. They took turns sucking my dick until I grunted and pulled out.

Having nuttled less than thirty minutes prior, I shot a relatively small load. But Conchita and Celeste didn't seem disappointed, not in the least. As for myself—well, I couldn't have been happier.

I had fulfilled my duties as a security professional. And had loads (pun intended) of fun in the process!

EVANNA

HERE LOOKING FOR A GOOD MAN

I can't remember when I was aggressive with a man, any man. And I don't know why I was aggressive with this guy. I mean, look at his cock. But when a girl wants something, she goes to get it - and that's me to-day. I just hope he will make it worth my while because I'm really horny.

Showroom Whore

It was a man's world, loud and lewd and markedly crude . . .

Night and day, Leigh thought... Vacating the comfy, climate-controlled showroom for the stifling hustle and bustle of the service area was like entering another world, another dimension . . .

Everything was different. Sights and sounds and smells and certainly the overall mood. The service technicians enjoyed a level of informality and freedom which she envied. They cracked jokes and laughed and cursed. They sported grimy work clothes, unshaven faces, and disheveled hair. Hell, some of them even smelled downright ripe.

Nobody cared about appearances in the service area. It was a man's world, loud and lewd and markedly crude . . .

Meanwhile, Leigh had to look her best every day. As a saleswoman, she was expected to shine, expected to perform as if she were a stage actress. Most importantly, she was expected to sell cars, lots of cars, which she did, better than any of the other salespeople at the dealership where she had worked for the past three months.

Selling cars was her first job after graduating from college with a generic Business degree. She had never planned on such a career, but jobs were hard to come by, so she had interviewed for and accepted the position when an offer was made.

Leigh liked the job well enough. For now, anyway.

Still, there were times when she grew weary of interacting with overly demanding customers, not to mention the incessant pressure of meeting sales quotas. And it was

these times when she sought, if only for a few minutes, refuge in the otherworldly service area.

Now, her designer heels clicking atop the concrete floor, she deftly avoided a large oil spot enroute to a hydraulically lifted coupe and the two mechanics jawing beneath the car.

The mechanics, Nick and Mitch, were smoking cigarettes and gestur-

"Hopeless nicotine addiction." Leigh smiled good-naturedly. "Ms. Hotpants is dying for a cigarette."

Nick produced a pack from his shirt pocket, proffering it with an exaggerated flourish. No sooner had Leigh slid a cigarette between her lips than Mitch produced a lighter; his grimy, thickly callused hand steadied the flame as she

ing animatedly. Mitch spotted Leigh first, elbowing his coworker into silence as Leigh approached.

"Well," he said, "if it isn't Ms. Hotpants Saleswoman . . ."

"To what," Nick asked her, "do us lowly grease monkeys owe the pleasure of your exalted company?"

sucked on the filter.

"Gracias," Leigh remarked.

She had quit buying her own cigarettes immediately after finishing college. Now she bummed them from friends, coworkers, even strangers. Nick's discount brand tasted like shit, but she didn't mind.

BLAIR-NTS-09

Beggars can't be choosers, she reasoned.

The other techs ogled her as she stood there smoking in a tight-fitting white blouse and knee-length skirt. She could feel them mentally undressing her. Did they know about her and their two coworkers? Surely, they did. Men gossip just like women.

Not that she gave a damn. If they thought she was a whore—well, so be it. In college she had certainly earned that reputation, fucking frat boys, athletes, brainy grad students, even a few professors.

Puffing on her cigarette, she heard but didn't listen to a word uttered by Mitch and Nick. They weren't exactly known for stimulating conversation. Oh sure, they were witty in a juvenile sort of way. But she didn't like the two grease monkeys for their minds.

She liked them for their cocks.

Leigh couldn't wait for quitting time . . .

She lasted until three.

Finally, unable to contain herself any longer, she got up from her desk where she had been studying the technical specs on one of their newest models and hastened to the women's room.

Locking herself inside a stall, she reached in her purse and whipped out her trusty dildo. Then she lifted her skirt, peeled her panties, and sat on the toilet lid. Leigh raised her leg, planting the sole of her heel against the wall just above the toilet paper dispenser, opening herself for a good and proper probing with the plastic phallus.

With her other foot pressed against the floor, she maneuvered the dildo underneath her opposite thigh and went to work, sliding its bulbous glans up and down her wet crevice. Using her free hand to rub her clit, she continued to stimulate herself with the toy, moving it faster and faster on the velvety periphery of her cunt.

Leigh thought about tonight;

she couldn't wait to show Mitch and Nick the snazzy new convertible which had arrived shortly after lunch. They had fucked on and/or in every vehicle on the showroom floor. The convertible, of course, was next.

One of the perks of being a saleswoman was having a key to the

dealership. Mitch and Nick and herself had enjoyed many a night after everybody else had gone home, turning the automotive showroom into their very own den of iniquity.

Now Leigh pushed the dildo inside her pussy. Still rubbing her clit, she moved the toy with a frenzied plunging motion. Panting with excitement, her pulse pounding, she reamed her hole in earnest, climbing higher and higher until she came.

She sat there like that for a while, her foot still planted against the wall, her heartrate decelerating as she wiped the dildo clean with toilet paper. Leigh was straightening her skirt when somebody entered the restroom and occupied the stall next to hers. Had they arrived just a minute earlier they would have heard her getting off.

Leigh wished they had . . .

The service department closed at five, the dealership proper at six;

this meant that Mitch and Nick had a full hour to kill before their party with Leigh. Mitch called his wife and told her he was going to be late, feeding her some bullshit excuse about having a few beers with the fellows. Nick, on the other hand, was single. He did, however, have a girlfriend, whom he didn't bother to

call since she went to night school and would undoubtedly be attending class.

The stage was set . . .

The two service techs clocked out a few minutes after five, waited until the other techs had cleared out of the parking lot, then spent an hour in Mitch's car getting stoned to the gills.

"You two," Leigh said, "are higher than giraffe pussy . . ."

Mitch and Nick chuckled. Their glassy, bloodshot eyes spoke volumes about the quality of Mitch's dope. She knew from experience that she was in for a good and proper pounding. Pot made them horny and potent, acting as aphrodisiac and performance enhancer.

Having secured all of the showroom doors, she dimmed the lights, stowed her keys in her purse, and joined them beside the new car.

"Nice, isn't she?"

"A beauty," Mitch responded,

running his hand across the convertible's smoothly contoured, candy apple red hood.

Nick opened the driver's side door and took a seat, whistling appreciatively as he gripped the steering wheel. "Talk about a pussy magnet," he said. "I'd get all kinds of tail with this sweet ride . . ."

"In your dreams," Mitch muttered.

"I'll sell her before the week is out, maybe even tomorrow, mark my word." Leigh sat on the hood and placed her feet on the front bumper. "All this to say we'd better take advantage of her while she's still around . . ."

Mitch grinned. "Now you're talking . . ."

He lifted his hand from the hood and placed it on Leigh's thigh, rubbing her leg through the soft fabric of her skirt. She responded immediately, leaning back on her elbows and spreading her legs. Mitch raised her skirt above her slender hips, his grin widening as he eyed her lacy pink panties. Peeling the undergarment from her long legs, he tossed it on the floor and unzipped the front of his navy-blue coverall.

Nick watched all of this from the driver's seat; one of his hands remained on the wheel, the other fumbled with his zipper and started beating his meat.

Meanwhile Leigh had unbuttoned her blouse and unfastened her bra, liberating a stellar pair of medium sized tits. Hers were firm half melons capped with conical brown nipples grown turgid from her mounting excitement. She writhed as Mitch went down on her, shifting her ass and raising her knees in response to his oral skills.

Mitch lapped her like a thirsty dog, poking and prodding her clit with the tip of his tongue. He loved eating pussy, especially a sweet young quim like Leigh's, but his cock was harder than a billiard ball and in dire need of a soft and hot home.

He withdrew his mouth and mounted her with haste. Leigh's cunt clenched his member as she wrapped her legs around his waist. Mitch rocked her with a series of slow yet deep thrusts. He took his sweet time, savoring the moment,

The showroom had that new car smell, of course; this mixed with the heady scent of raw sex.

"Atta' boy, Nick! Fuck her good, man!"

Mitch's words prompted Nick to hammer Leigh with renewed vigor.

never once thinking of his wife as he balled the hot young saleswoman.

No longer content with jerking off, Nick slid out from behind the wheel and came around to the front of the car where he stood beside Mitch. He was patient, knowing from experience that Leigh was worth the wait. Mitch was fucking Leigh faster now, poking her with frenzied jabs, one after another, until he pulled out and dumped his load on her inner thigh.

Nick took over immediately, plunging his prick into her pussy. Sloppy seconds, he thought with amusement. Well, so be it.

Leigh's cunt felt just fine to him. A little stretched out, sure, but just fine. Nick didn't feel slighted in the least. Hell, just last week he had taken first crack at her while Mitch had waited in the wings.

Nick rutted Leigh in earnest, his knees pressing against the convertible's hood as he thrust repeatedly.

It wasn't long before he, too, pulled out and nuttled all over her inner thigh, adding his fresh spunk to Mitch's crusty remains.

"Mercy!" Leigh wiped her forehead with the back of her hand. "That was fantastic!"

Despite the air-conditioned showroom she had worked up quite a sweat. She lay there on the hood, sated, her legs spread, her knees raised, her bare ass flattened against the finest American steel.

"You going to let us out of here," Mitch asked her, "or just lay there all damned night? Some of us are married, you know . . ."

"Sorry," Leigh said. "Let me get my keys."

She rolled off the hood and plucked her panties from the floor. Suddenly Nick pointed at the hood. "Hey, you two, check it out! Get a load of Leigh's butt print!"

The showroom erupted with laughter.

NADIA LEARNS HER LESSON

There's one thing I learned in college... I love dick. Yeah, the lessons were hard and I actually learned stuff about math, geography and economics. But with all the men around hyped up on testosterone, I was in dick heaven. Dicks are cool. I like the way it fits into my hands, and fills my pussy and my mouth.

I'LL UNDRESS JUST FOR YOU

No, this isn't my go-to-church outfit. It's something I picked out just for you. I bet you can't wait to see me out of it. I have greeted the pizza delivery girl at the door in it once. She stood there with her mouth open. Unbelievably, after I paid her and gave a \$20 tip, she asked if she could touch my boobs. Of course I let her! Now on with your show.
